

FIRE PROTECTION LTD

ENVIRONMENTAL POLICY STATEMENT

Fire Protection Ltd is aware of its responsibility for the environment and is committed to operating its business responsibly and in compliance with all legal requirements

Our policy is to operate with and to maintain good relations with all regulatory bodies.

The company will adopt the four R strategies; to reduce, reuse, recycle and recover wherever possible.

Fire Protection Ltd takes into account the nature and magnitude of all such environmental impacts and therefore it is our objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

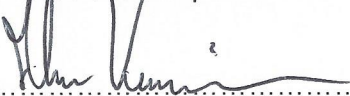

We take all reasonable care to ensure that our products and activities have a minimal effect on the environment. We do this by:

- Assessing the environmental impact of the design, development, manufacture, distribution, installation, use and disposal of our products
- Optimising the use of materials to minimise waste
- Reducing energy consumption
- Controlling emissions to prevent pollution
- Developing procedures and training of employees in environmental issues
- Minimise material usage
- Monitor fuel usage and reduce vehicle emissions
- 100% recycling target
- Promote the use of recyclable and renewable materials
- Reduce and/or limit the production of pollutants to water, land and air
- Control noise emissions from operations
- Minimise the risk to the general public, employees and interested parties from operations and activities undertaken by the Organisation
- Controlling waste in accordance with statutory regulations
- Measuring and monitoring environmental performance and setting appropriate targets
- Management review of this policy.

It is the responsibility of Management and all employees to implement and maintain this policy.

The Company is committed to continual improvement and operating to the requirements of ISO14001 as part of an integrated Management System.

This policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.
